HITTING
INSTRUCTION CAMP
2008

JUNE 9TH - 11TH

9:30-11:00 AM

\$40.00

The LADY MUSTANG SOFTBALL

Hitting Instruction Camp is designed to give intensive, detailed instruction on the fast pitch softball swing. The instructors will break down each camper's batting sequence. The instructor will take each camper step by step through the batting sequence starting with stance and working through to the finish of the swing. This camp will use proven techniques for instruction.

The camp will be directed by Byron Myers, head softball coach at Midland Christian School. Other Mustang Assistants will be involved as well. Current Lady Mustang Varsity players will be assisting in the instruction process. Each of these ladies are quality players (some with All-State credentials) and exhibit the highest standards of Christianity.

The camp will be conducted on the Midland Christian School campus at the batting cage.

Since the beginning of the program in 1994, the Lady Mustang Softball team has been successful. The Lady Mustangs began competing in TAPPS (Texas Association of Private and Parochial Schools) in 1995. Since that time, they have won 13 district championships and have been to 12 state tournaments. During those state runs the Lady Mustangs have finished as semi-finalist five times and runner-up twice. In 1999, 2002, 2003, 2005 & 2006 the Lady Mustangs won the Class AAAAA State Title. The overall record for the program is 360-142. Since the beginning, the Lady Mustangs have competed mainly against 4A and 5A UIL schools. In eleven out of those thirteen seasons, the Lady Mustangs have finished with a team batting average over .400.

CAMP APPLICATION

NAME: _____
